

BLACKJACK

SEEDED BERMUDAGRASS

Plant Blackjack, a top-quality seeded Bermudagrass which adds density and deep green color to your warm-season turf.

For unsurpassed dark green color in a seeded Bermudagrass, plant **Blackjack**. This vigorous, fine-bladed cultivar adds color and density to any warm-season blend throughout the hottest summer months. In addition, **Blackjack** shows remarkable cold tolerance even in cold winter areas. If planting sprigs or plugs makes your back sore, consider **Blackjack** seeded Bermudagrass. You'll get a dense green lawn all summer long.

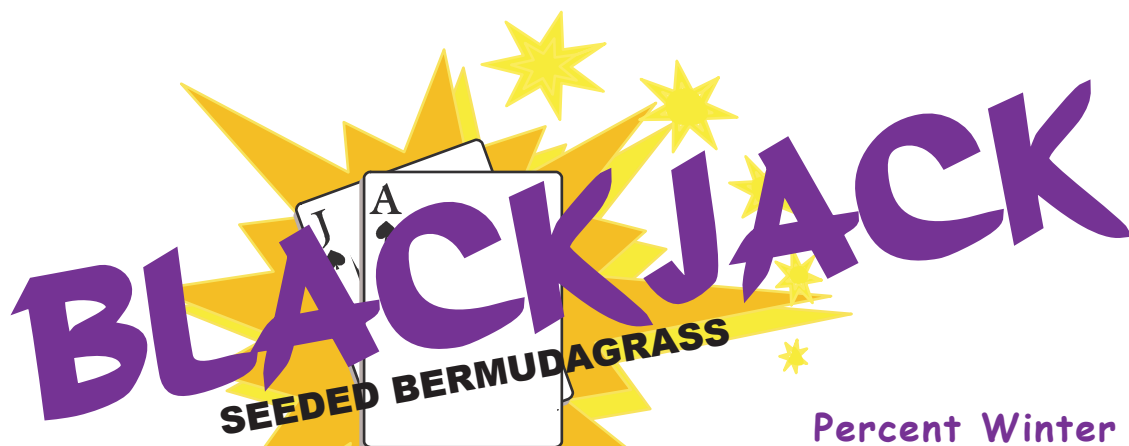

Choose Blackjack for:

- Deep green color
- Carpet-like density
- Extra cold tolerances
- Super-fine texture
- Superior seedling vigor
- Good Shade Tolerance
- Good Drought Tolerance
- Good Traffic Tolerance

BlackJack... it's no gamble
