## **ANNOUNCEMENT**

**Dear Customers and Associates,**

Mountain View Seeds is committed to providing its customers not only the best products, but also the best service.

To reinforce that commitment, we are pleased to inform you that Mountain View Seeds is expanding its Sales TEAM with the hiring of Mr. Brett Freeborn.

Brett is currently working with John Zajac in international sales and taking full responsibility January 1<sup>st</sup>, 2014 as International Sales Director.

Brett has more than 20 years of experience in the Oregon grass seed industry. He was raised on a local grass seed farm, then worked in the grass seed industry as he attended and graduated from Oregon State University. For 12 years, Brett has worked in the seed production side of the industry with the last eight years as Seed Production Manager for Mountain View Seeds. Brett's understanding of the industry will be a valuable asset to our Sales Team.

We believe having Brett's presence at our Oregon headquarters will bolster communication and response. Brett invites you to visit MVS and tour our facility and breeding station at Plant Peak Genetics. In addition, Brett will be seeing you at future industry events like the ESA and ISF.

Mountain View Seeds appreciates its international customer base and is energetically working to expand and improve its product line of turf and forage grasses. Our commitment to quality and reliable service will continue as always.

As our logo says:

***"We make buying grass seed easy!"***
