

# OAKLEY

C R E E P I N G B E N T G R A S S

Oakley Creeping Bentgrass is the next generation of greatness in Bentgrass cultivars, topping the charts in the latest NTEP for both Greens and Fairways/Tees! Oakley shows strong seedling vigor and has a beautiful medium green color. The versatility of strengths makes this a standout variety; Dollar spot resistance, fine leaf texture and density throughout the entire playing season. Oakley is excellent as a standalone variety due to a diverse breeding background or together with Piper in the premium Centennial Blend.
